4676 Admiralty Way  
Marina Del Rey, California 90291

Dear Mr. Peterson:

You have been misinformed by your client. I have in my possession no photographs, transparencies or documentation concerning LRM or the Church belonging to your client which I acquired while in the employ of your client.

All biographical materials I was working with were either left in archives or delivered to Omar V. Garrison.

Very truly yours,

G. Armstrong
